An act to amend Section 53051 of the Government Code, relating to local government.

LEGISLATIVE COUNSEL'S DIGEST

SB 1102, as introduced, McGuire. Local government: cities, counties, and other agencies.

Existing law requires the governing body of each public agency, as defined, within 70 days after the commencement of its legal existence, to file, with the Secretary of State and the county clerk of each county in which the public agency maintains an office, a statement containing specified information about the public agency and its governing board and officers. Existing law requires, within 10 days after any change in that information, an amended statement to be filed.

This bill instead would require the statement to be filed within 50 working days after the date of commencement of an agency legal existence and would require an amended statement to be filed within 10 working days after any change in the information.

Vote: majority. Appropriation: no. Fiscal committee: no.  
State-mandated local program: no.
